

Body Basics Academic Standards

Body Basics Grade 3

Human torso models and life-size skeleton puzzles enable students to explore the components of the human body, with special emphasis on the functions of the digestive and skeletal systems. MyPlate guidelines and activities reinforce the relationship between positive eating habits and the importance of maintaining a healthy body.

Academic Standards

Science GLEs

Grade 3

(LS-E-A1) Describe what the human body needs to grow and be healthy

(LS-E-A5) Explain how the organs of the digestive system function

(LS-E-A5) Describe how the components of the skeletal system function

(LS-E-A6) Describe the relationship between eating habits and maintaining a healthy body

(SI-E-A1) Pose questions that can be answered by using students' own observations, scientific knowledge, and testable scientific investigations
